### Schedule:

Make a schedule of your typical day to indicate the following items in the table.  
For the blank, please fill in with your after school activity if you have one.

### Situation:

It's lunch time at school. A casual chat is going at the table. Later it shifts to talk about daily schedule, so you ask your classmate about his/her daily schedule.  
Find out and fill in the table with your partner's schedule.
