

名字：_____

Task : You are going to do a presentation to introduce your classmate.

Step 1 : You have to interview one of your classmates. In your presentation, you need to include the following information of your classmate.

- His/her age and grade
- Where his/her classroom is
- Extra curriculum activities he/she has at school or after school
- His/her extra curriculum schedule (If any)
- His/her favor subject (s) and extra curriculum activities
- Does he/she like to read? Go to library often?
- What kind of books he/her likes to check out most?

Step 2 : Organize the information you have.

Step 3 : Do the presentation.
