

Role Play: Your Chinese teacher asks you to do a group project on a Chinese holiday. Your group decides to do the report by using computer.

Role A:

1. You have two topics to choose from. You also have some pictures for both topics. You sent an email to Role B with these pictures.
2. You call Role B to ask if he/she received the email. You would also like to know your partner's opinion about the topic and pictures.
3. Tell Role B where you get these pictures.
4. Respond to Role B's questions.

Role B:

1. You receive a call from Role A. Respond to Role A's questions.
2. You have a film about the topic you choose. You would like to know if you could add it into the report.
3. Tell Role A you will take more photos for the report, but you will need help to upload photos.
