Part A It is Sunday. You are calling your friends to do something together.

1. Decide what activity you would like to do with your friends.

2. Whom will you call? List three of your friends below.

3. Make the phone calls. Circle the name of the person who is not at home. Remember to leave a message for the person.

Part B You just received some calls. Take messages and fill in the table below.

For whom	Who is calling?	What is it about?
